Web & Backend	TypeScript, JavaScript, React, Next.js, NestJS, Node.js, HTML, CSS
CMS & No-code	WordPress, Shopify, Framer
Leadership	Team leadership, code review, technical direction, client communication

PROFESSIONAL EXPERIENCE

Miya Infotech — Nov 2024 – Present

Srinagar, Jammu & Kashmir, India • On-site

Senior Software Developer & Team Lead — Jan 2025 – Present

- Lead the IT team: set technical direction, monitor delivery, review code and join client meetings.
- Lead engineer for **NikahfyMe**, a production matrimonial platform with **50K+ users, 500K+ sessions and 300K+ messages**; built the React Native, Expo and TypeScript mobile app and its NestJS and Next.js backend APIs.
- Launched **Miya Travel**, a travel CRM for travel agencies, now used by **250+ organisations**.
- Built and led 15+ client websites and online stores in WordPress, Shopify and Framer across hospitality, travel, construction, education and retail.
- Own features end to end, from implementation to release; optimise performance and resolve production issues.

React Native Developer Intern — Nov 2024 – Jan 2025

- Built React Native features for production mobile apps before moving into the full-time role.
